Message From Rabbi Yachnes:

IF IT'S GOOD ENOUGH FOR MOSHE... When Yisro joined the Jewish nation, he was welcomed by Aharon and the elders. But where was Moshe? Rashi (18:12) says that Moshe was busy serving and waiting on them. What?! Moshe, the leader, the greatest of all, became the waiter? Yes! That was the humility of this greatest of all men, and what a special lesson for us all. When faced with the opportunity to do the same, let's bear in mind, **if it's good enough for Moshe, it's good enough for me!** May we hear only good news from Eretz Yisroel, and have a wonderful Shabbos.

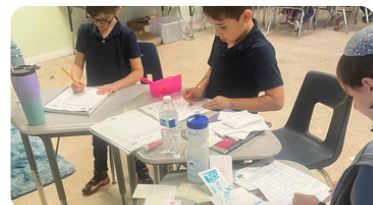

5th grade learning Parsha with Rabbi Waxman!

3rd grade davening with Rabbi Engelhart!

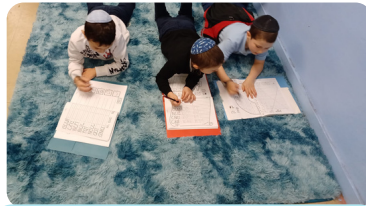

Practicing math on iReady in Mr. Florczak's 1st grade!

2nd grade practices their Shorashim flashcards with Rabbi Hecht!

4th grade learns about mountain ranges and landscapes with Ms. Dania!

1st grade working together on their Kesiva worksheets!

Fins and scales? 5th grade uses a real fish to learn about Kashrus!

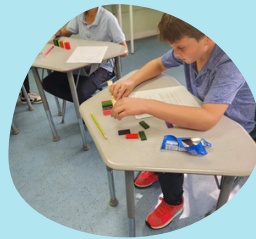

4th grade playing football and building their teamwork skills!

Learning about Mr. Engel's snakes in Zoology!

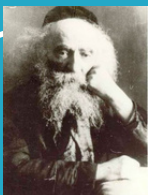

Visiting Scientist:
This week, our visiting scientist and her trusty assistant delved into kinetic energy transfer with our students. Each student was tasked with the challenge of crafting unique domino creations, providing a hands-on experience that showed them how force influenced their designs in action!

Gadol Of The Week:

Rav Yosef Rosen – The Rogatchover Gaon:
Why did he allow his student to give him a haircut?

JOKE OF THE WEEK!

What are the ten things you can always count on?

ANIMAL OF THE WEEK!

Meet the Nine-Banded Armadillos!

Mr. Engel's Fun Fact: Did you know that the Nine-Banded Armadillos are the only mammals in Florida with an exoskeleton?! They use this exoskeleton to roll into a ball to protect themselves!

MTA Talent Show

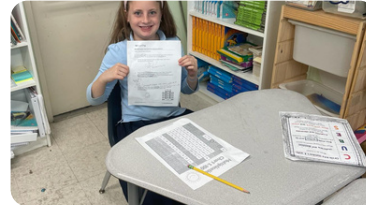

Our MTA Talent Show this Thursday was an absolute sensation! Our extraordinary students showcased an array of talents, including piano, comedy, dancing, singing, and magic – leaving the audience captivated. A special shoutout to Rabbi Chait for orchestrating this fantastic show. We are truly impressed with the remarkable talent our students brought to the stage!

6th grade starting on their new novel in Mrs. Fischer's class!

The girls built and painted birdhouses to beautify our trees!

Mastering multiplication tables in 4th grade!

Kindergarten makes their own Luchos with Morah Liatt!

4th grade pairs up to work on their grammar!

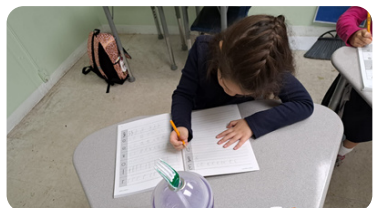

Learning about the Parsha in Morah Liatt's Kindergarten class!

Morah Levana's dog joined 6th grade this Thursday – what a talented dog!!

2nd and 3rd grade write letters to mail home in Ms. Tamsyn's class!

1st grade practicing their script Aleph Beis letters with Mrs. Pink!

STEM-TASTIC CREATIONS!

This week in STEM, Ms. Robbins orchestrated an engaging science project centered around the explosive reaction of carbon dioxide! The students actively participated in concocting a mixture to place into bags, bringing this dynamic experiment to life. The children enjoyed learning about chemical reactions and the properties of gases!
