Message From Rabbi Yachnes:

KOSHER TZEDAKA: Parshas Terumah, which deals with the laws of giving tzedakah, follows Parshas Mishpatim, which teaches us that a person's money must be acquired through means that are halachically correct and justified. The Bais Haleivi notes that one must be very careful that the money he is giving to tzedakah is money that was earned honestly and appropriately. Then, and only then, is it **kosher tzedakah**. May we hear only good news from Eretz Yisrael. Have a wonderful Shabbos.

3rd grade comes to help 1st grade with their writing work in Mr. F's class!

7th grade puts the finishing touches on the wall they have been repainting!

The 3rd graders working on their Dikduk worksheets together!

Rabbi Sacks awards 5th grade with a pizza party for mastering 100 Hebrew words!

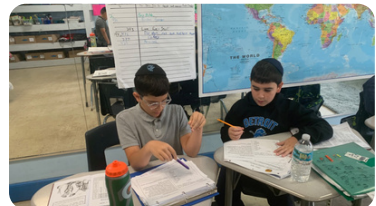

Learning about all of Mr. Engel's reptiles in zoology!

3rd graders playing multiplication games in partners!

6th grade boys working on their math lesson together with Mrs. Lodwick!

5th grade learning Mishna b'chavrusa in Rabbi Waxman's class!

1st grade plays Alpeh Beis "Spot It" outside!

STEM-TASTIC CREATIONS:

This week in STEM the students built their very own wind-up robots with Ms. Robbins! After following all the instructions required to assemble these robots, the children were then able to put them to the test in a race against each other!

Gadol Of The Week:

Rav Ezra Attia (Part One):

What happened when he gave someone part of his paycheck?

JOKE OF THE WEEK!

What time is it when the clock strikes 13?

ANIMAL OF THE WEEK! **Meet The Elephant!**

Mr. Engel's Fun Fact: Did you know that elephants can communicate underground over very long distances with special deep sounds that humans can't even hear? The elephants hear these sounds from the soles of their feet!

Visiting Scientist:

This week the visiting scientist and her assistant brought the concept of gravity to life! The students used the materials the scientists gave them to build their own makeshift parachutes.

Once the girls had their parachutes ready to go they were able to test them against gravity and record all the data that they had collected.

6th grade takes each other's pulse while learning about the circulatory system!

4th grade presenting their National Parks projects!

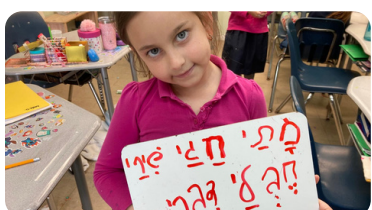

2nd and 3rd grade working on a hands on math activity in Ms. Tamsyn's class!

6th grade learning Parsha together with Morah Levana!

Morah Levana and her 6th grade visit Kindergarten for a special Parsha class!

Practicing Kesiva and Kriah in Mrs. Segal's 2nd and 3rd grade!

Spending time with all our animals during Zoology with Mr. Engel!

Kindergarten learns about birds and goes birdwatching with Mrs. Louis!

Kindergarten makes their own Mishkan with Morah Liatt!

A peek into Mrs. J's room:

The clay creations in Mrs. J's room are truly a hit! The girls have been perfecting their clay cups and plates that they can soon take home. The students have also been enjoying connecting and talking with Mrs. J over her delicious hot cocoa!

JOKE ANSWER!

😂 Time to get a new clock! 😂

Thought Provoking Parsha Question: ?

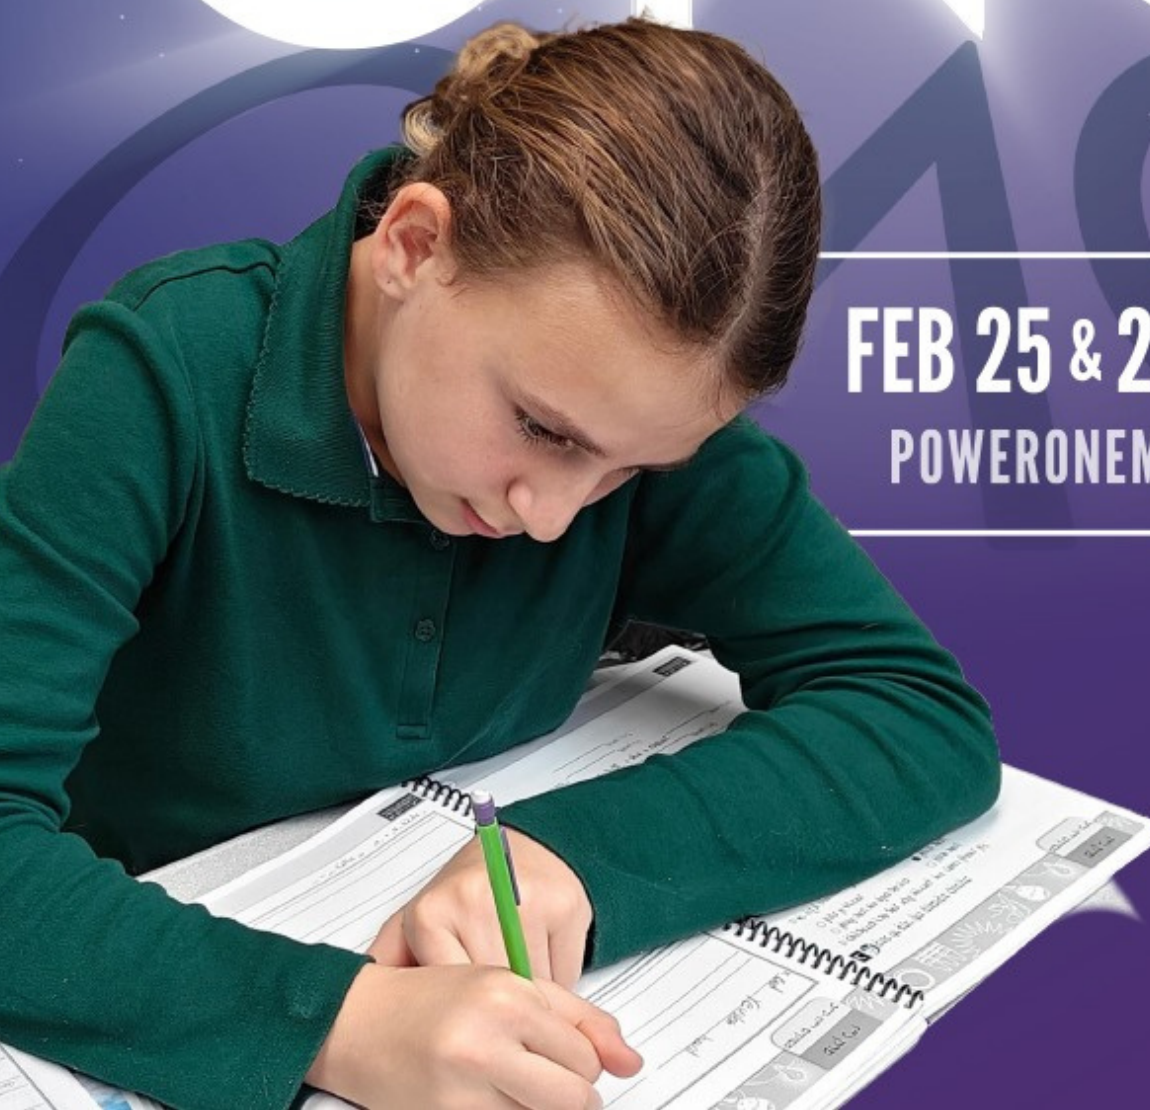

Why does the Torah specify the uses of the oil and spices in the Mishkan and what was so special about these oil and spices?
