## Message From Rabbi Yachnes:

**MONEY AND FIRE:** Rashi (30:13) says that Hashem showed Moshe a coin so that he would know what the half Shekel was that should be collected from every Jew as a means of counting them. And Rashi says that the coin that Hashem displayed was made of **fire**. Why fire? Chidushei HaRim explains that Hashem was conveying the message that **money** is like **fire**. Fire, held under control has many wonderful uses. Cooking food, heating homes etc. Fire, out of control, can be very destructive. It's the same with money. It being constructive or destructive depends upon it being held in control or let out of control. May we hear only good news from Eretz Yisroel. Have a wonderful Shabbos.

5th grade works on their math work in Ms. Dania's class!

3rd, 4th, and 5th grade joins in on a team building game together!

Rabbi Chait visits the 2nd grade for some Chumash learning!

2nd grade joins the 3rd grade class for a beautiful davening!

2nd graders pair up as chavrusos to work on their LeHavin skills!

Ms. Dania's 4th grade studying for their Spelling Bee!

Proudly showing off their Jerseys in the gym with coach!

2nd grade dry ice science experiment with Mr. Engel!

Solving Trivia Questions with Mr. Heller!

## STEM-TASTIC CREATIONS:

This week in STEM, the younger grades worked on engineering and creativity with Lego building exercises. The older children worked with Ms. Robbins to build their own illusion creations! The students were able to put their creations into action and learn how our eyes can see hidden images in certain designs!

## Gadol Of The Week:

**Rabbi Naftali Tzvi Horowitz of Ropshitz:**

**Why was he making jokes in front of everyone at a wedding?**

## JOKE OF THE WEEK!

What animal needs to wear a wig?

## ANIMAL OF THE WEEK! Meet The Beaver!

**Mr. Engel's Fun Fact:** Did you know that the beaver is the largest rodent in North America? Their powerful teeth and intelligent cooperation allow them to cut down trees, build dams and lodges, and store food for the winter!

## Chocolate Making!

The girls division had a wonderful chocolate making experience this Wednesday! Renowned chocolatier Penina Amar from Paris, who happens to be Morah Levana's sister, visited our school and ran an amazing chocolate making session with our girls. Each student was able to watch the chocolate making process in action and then created their own delicious treats to take home and enjoy. A big thank you to Morah Levana for organizing this program with her sister!

Kindergarten boys enjoy independent reading time in Mrs. Louis's class!

Kindergarten takes their davening outdoors with Morah Liatt!

Mrs. Fischer's 4th grade works in partners on their math assignments!

The 6th and 4th grade girls enjoy Mr. Hirsch's gedolim class!

Practicing the days of the week and numbers in Mrs. Louis's class!

2nd and 3rd grade girls are learning in their new Chumashim with Mrs. Segal!

The girls had a fantastic Brachos Bee led by Rabbi Chait!

4th grade groups together to work on their creative writing skills!

## Visiting Scientist:

Our visiting scientist and her trusty assistant were electric this week! The children learnt about electricity through building their own circuits! using just an LED light, a battery, and copper tape each student was able to build their own closed circuit that lit up!

2nd and 3rd grade learns about Kavod in Mrs. Segal's class!

## JOKE ANSWER!

A bald eagle!

## Thought Provoking Parsha Question:

Why was it so difficult for Moshe to envision the appearance of the half-shekel coin? Why did Hashem have to show it to him?
