Message From Rabbi Yachnes:

HOLD YOUR FIRE! "Don't kindle a fire on Shabbos" (35:3). The Sh'la HaKadosh says that this refers also to the fire of anger which must be avoided on the day of Shabbos. Rav Eliyahu Lopian adds that **Erev** Shabbos is also included in this mandate since everyone is rushing to prepare and as a result angers may flare. So be careful and **hold your fire**. May we hear only good news from Eretz Yisroel. Have a wonderful Shabbos!

STEM-TASTIC CREATIONS:

This week in STEM, the students learnt about light wavelengths with Ms. Robbins! Red lights have the shortest wavelengths, which can pass through materials more easily than longer wavelengths. When the students put a flashlight to their hands, their hands glowed red, and they were able to see this concept in action!

Gadol Of The Week:

Rav Yitzchak Isaac Sher:

Why did he ask to go to the hospital when he wasn't sick?

JOKE OF THE WEEK!

Why did the computer sneeze?

ANIMAL OF THE WEEK!

Meet The Electric Sting Ray!

Mr. Engel's Fun Fact: Did you know that Electric Sting Rays talk to each other with electricity? They zap, spark and sizzle at different frequencies so that they are able to communicate with electricity!

Field Trips!

This week brought fantastic field trips for our hardworking students! The 1st graders enjoyed an amazing trip to Flamingo Gardens, where they enjoyed wildlife encounters and a nature tour. While the 1st graders immersed themselves in nature, the 4th grade boys had a well-earned blast at a trampoline park with Rabbi Richmond! Meanwhile, the 4th and 6th grade girls seized a hands-on Chessed opportunity at Morah Levana's costume Gemach in Boca Raton, followed by delicious French crepes made by Morah Levana to reward them for their wonderful efforts!

4th grade works on their Social Studies worksheets in Mrs. Fischer's class!
