Message From Rabbi Yachnes:

MEMORIES ARE SHORT LIVED: After enumerating all of the blessings that will be bestowed upon the Jewish people if they keep the Mitzvos, the Torah adds a passuk stating that Hashem took us out of Mitzrayim honorably (26:13). Rashi says that the reason for that additional passuk is reassure the Jewish people that they can trust that Hashem is capable of providing those blessings since He had already taken them out of Mitzrayim and performed great miracles. **Really?!** Did anyone actually have any doubts? Would anyone really think that Hashem is incapable of providing those blessings that He had promised, without a reminder of the miracles of Mitzrayim? **YES! Memories are short lived,** and the Jewish people needed to be reminded and reassured even about Hashem's capabilities. May we hear only good news from Eretz Yisrael. Have a wonderful Shabbos.

1st grade end of year pizza and water trip with R' Engelhart!

Torah Bowl practice with Rabbi Chait in 1st grade!

Practicing long division with Ms. Dania in 4th grade!

Davening Shemoneh Esrei in 2nd grade with Rabbi Hecht!

Lag B'Omer Family Event:

Our post-Lag B'Omer event this Monday was a fantastic time! From archery to waterslides and edible art, the children had a blast with their families. Thank you to Dr. Klein for running his amazing drum circles during the event. And of course, we can't forget the delicious staff-run BBQ. Thank you to all those who came and to our staff for putting together a wonderful day!

4th grade presents their Women in Tanach projects!

Journaling time in Mrs. Louis's Kindergarten class!

1st grade practices their Kesiva in Mrs. Pink's class!

Outdoor learning with Ms. Tamsyn in 1st grade!

4th and 6th grade end of year ice skating trip!

Journaling time in Ms. Tamsyn's 1st grade!

6th grade presents their women in Tanach projects!

6th grade earns a sushi lunch in Mrs. Fischer's class!

Parsha word search in Mrs. Segal's 2nd and 3rd grade!

Robotics:

This week in Robotics with Ms. Robbins, the students built their very own hydraulic robot arms! They gained hands-on experience with engineering, fluid dynamics, and mechanical construction, all while working collaboratively to build a functioning hydraulic robot arms. After successfully building the arms, the children enjoyed testing out their creations and seeing them in action!

JOKE ANSWER!

 **The garbage truck!** 

Thought Provoking Parsha Question:

One of the Brachos for keeping Mitzvos in this Parsha is that "no man will wage war against his brother." This Bracha seems a bit extreme- is waging war really a possibility between Jews?
